

Deliver patient care with added efficiency.

Triton™

BALLOON REPLACEMENT GASTROSTOMY TUBE

Cook Medical introduces the new Triton Balloon Replacement Gastrostomy Tube. With separate ports for inflation, feeding and delivering medications, Triton adds convenience and efficiency to your enteral feeding procedures. A dedicated medication port is specifically designed to accept smaller syringes. The Triton – which features a clear feeding tube made of flexible high-grade silicone – is yet another addition to Cook's full line of innovative endoscopic accessories designed to meet all your patients' needs.
