

Perform multiple
ligations in a
single procedure.

ShortShot®

SAEED HEMORRHOIDAL MULTI-BAND LIGATOR WITH TRIVIEW™

Unlike conventional devices, the ShortShot with TriView anoscope allows you to ligate up to three internal hemorrhoids during one procedure. With a trigger-based design for one-handed band deployment, the ShortShot resets quickly. And, since there is only a single insertion of the anoscope, patient discomfort is potentially reduced.
